The screenshot shows the IBM Cloud Dashboard in a web browser. The browser's address bar displays 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'Hemachandran R's Acc...'. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), and 'IBM Watson Catalog' (Help you easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform). The bottom of the dashboard includes sections for 'User access' (Manage users), 'News' (View all), and 'Planned maintenance' (View).
