Create An Account In Openweather Map Website

Date	02 November 2022
Team ID	PNT2022TMID26631
Project Name	Signs with Smart Connectivity for Better Road Safety

The screenshot shows the OpenWeatherMap website interface. At the top, there's a navigation bar with the OpenWeather logo, a search bar, and various links like Guide, API, Dashboard, Marketplace, Pricing, Maps, Our Initiatives, Partners, Blog, For Business, and Support. A green notification box in the center states: "Notice: Your email address has been successfully confirmed." Below this, a horizontal menu lists: New Products, Services, API keys, Billing plans, Payments, Block logs, My orders, My profile, and Ask a question. The main content area features a large image of a sunset over a body of water. To the right of the image, the heading "Historical weather for any location" is displayed in orange. Below the heading, a paragraph reads: "Our new technology, Time Machine, has allowed us to enhance the data in the Historical Weather Collection." This is followed by a bulleted list: "• Historical weather data available for ANY coordinate" and "• The depth of historical data have been extended to 40 YEARS". Below the list, a line of text says: "You can download data from Personal account or contact us to order it." At the bottom right, there are two orange buttons: "Learn more" and "Go to purchase".
